

Compare Web Careers

The days of a company Webmaster are gone. Now, there are several different types of positions that deal with different aspects of the Web.

1. Log into careercruising.com and use the table below to record information about the following job titles: Web Developer, Webmaster and Website Designer.

	Core Tasks	Earnings	Education	Attributes and Abilities
Web Developer				
Webmaster				
Website Designer				

2. In Microsoft Word, create a VENN Diagram comparing and contrasting the information above. Staple it to this paper when you turn it in.

3. Go to an online job site (monster.com, careerbuilder.com, beyond.com, hound.com, indeed.com, jobcentral.com, etc.) and find 3 job postings for these careers in the Austin area and fill in the table below:

Job Title/ Company	Job Description	Skills and Abilities	Software/ Programming

4. These are not the only Web career titles...find at least 3 more Web related career titles using the job search sites listed above.
